Canada and Haiti.

**LiveDifferent is a Canadian Charity that empowers youth (and the young at heart) to show kindness and compassion to each other.**

It is hard to believe, but by the time September arrives, we will have gone over a thousand days without coming together for our annual gala.

The support that LiveDifferent has received in the past has played a significant role in allowing us to continue to reach youth during this pandemic and has also carried the construction of the Freedom Village to completion.

We would love for you to join us again this year at the Canadian Museum for Human Rights on September 29, 2022, for an evening of life-changing stories, delicious food, and incredible company.

As always, 100% of the net proceeds from our gala will be shared to support youth here at home through our Canadian Youth Fund and to provide children in Haiti with brighter futures through LoveLegacy.

The time to celebrate is long overdue! We hope to see you there.

TEAM 3 SHARING CIRCLE / ICE ROADS COMMUNITY

A few things have changed, but our dedication and commitment to lifting up youth in Canada and Haiti remain front and centre.

## What we do and who we serve

### LiveDifferent Circles

Our school and community programming was adapted to reach even more youth during the pandemic. Under the umbrella of LiveDifferent Circles, we now offer peer mentorship programs, online assemblies, and in-person school tours.

### LiveDifferent Builds

Individuals and groups have the opportunity to travel and help put their donated money to use building houses in developing countries. We've had 6000+ volunteers who have helped raise funds and personally help construct over 500 homes for families.

### LiveDifferent Academy

A gap-semester program where young adults are mentored, gain cross-cultural experience, and are transformed in their thinking, their actions, and their focus for the future.

### LoveLegacy

A community of monthly partners who are helping children in Haiti. At Ecole L'Union, the children are receiving education and nutrition. Meanwhile, over at the Freedom Village, young girls will soon have a place to call home. It is here where they will receive everything they need to flourish and leave exploitation behind.
