All of the net proceeds from With Love 2023 will benefit LiveDifferent's work in Canada and Haiti. To sponsor this event or purchase individual tickets, please visit LiveDifferent.com/Winnipeg-2023

Last year, over 350 people came together to celebrate LiveDifferent's fourth annual With Love Gala at the Canadian Museum for Human Rights.

The net proceeds raised throughout the night totalled more than \$203,000 in support of the Freedom Village and École L'Union in Haiti and Circles mental wellness programming being facilitated with youth across Canada.

Having everyone come together after two years of being apart—I could feel the collective energy as we united once again for an important cause close to our hearts.

I couldn't help but reflect on the true partnership and camaraderie that we all have together, and how the focus of our team, staff, volunteers, and partners, is always on the values we share and the combined commitment we all have to serve and care for others.

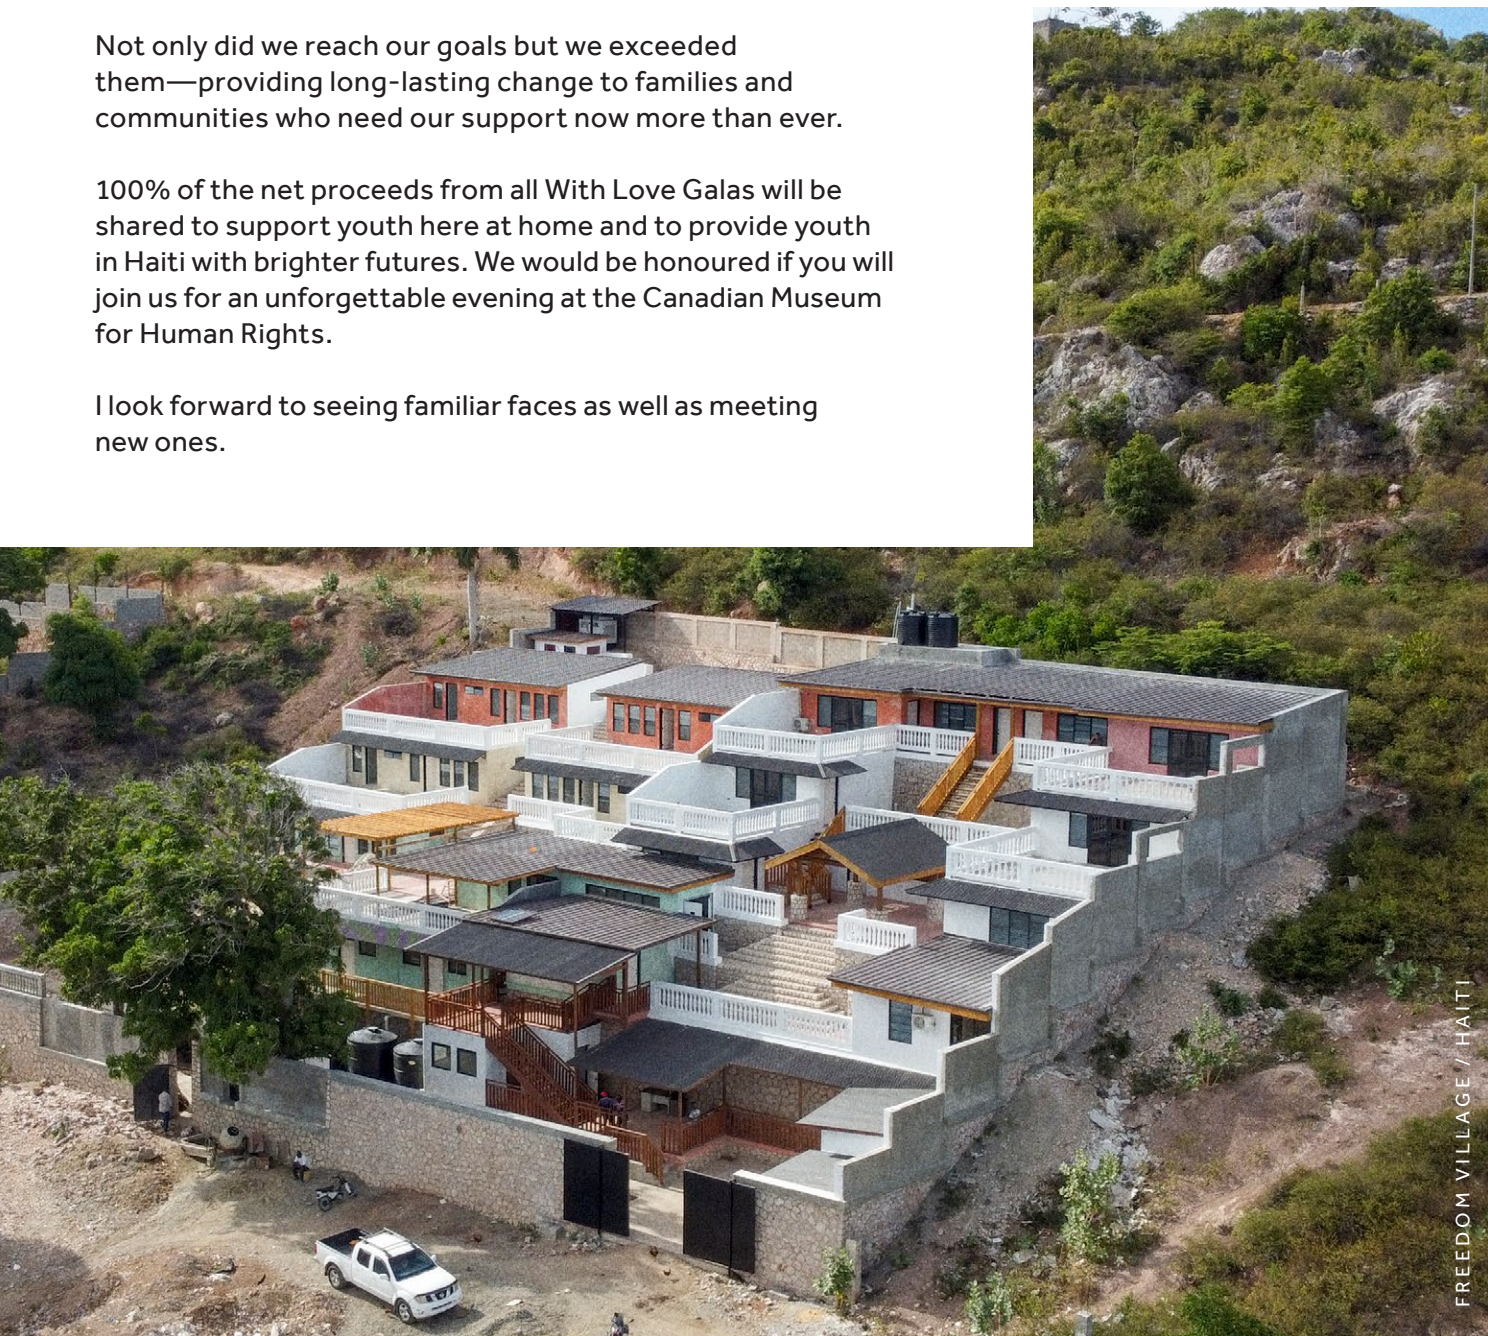

Not only did we reach our goals but we exceeded them—providing long-lasting change to families and communities who need our support now more than ever.

100% of the net proceeds from all With Love Galas will be shared to support youth here at home and to provide youth in Haiti with brighter futures. We would be honoured if you will join us for an unforgettable evening at the Canadian Museum for Human Rights.

I look forward to seeing familiar faces as well as meeting new ones.

What we do and who we serve

Circles

Our school and community programming is inclusive of both in-person and online programming. To date, LiveDifferent has had the honour of working with over 1.7 million students across Canada.

Builds

Individuals and groups have the opportunity to travel and help put their donated money to use building houses in developing countries. We've had 6000+ volunteers who have helped raise funds and personally help construct over 590 homes for families.

Academy

A gap year program where young adults have a unique experiential leadership opportunity in a cross cultural setting. Students spend two months in Mexico, two weeks in the Dominican Republic and two weeks in Haiti.

Projects

École l'Union

This school gives hundreds of children the key to unlocking a better future. By providing quality education and nutrition, École l'Union gives these young minds the opportunity to shape their world and break out of the cycle of poverty.

Freedom Village

The Freedom Village will provide a safe, home environment for girls in Haiti's Restavek system to heal and flourish. Thanks to the LiveDifferent community of supporters, these girls will get the education, counselling, care and support they need to thrive.
